2019 NEA ESP Conference App Download Instructions

We would like to invite you to download the NEA Events Directory app so you can have convenient access to conference and session information on your mobile device.

The NEA Events Directory app, which will provide you with mobile access to the 2019 NEA ESP National Conference, is available for download on Android and Apple iOS smartphone and tablet devices. Use the link below to download.

Once you download the NEA Events Directory app, launch it and follow the instructions provided below to locate the 2019 NEA ESP Conference. You will need to have access to your email on your mobile device(s) to complete the log-on verification process.

1. Tap on the “**2019 NEA ESP National Conference**”
2. Enter the event code **ESP2019**
3. Log into the 2019 NEA ESP Conference with your Registration Code by tapping on the **Attendees icon** and selecting **Log In**.
4. Enter your First and Last name.
5. Your next step is to check your EMAIL used for conference registration to access the 4-digit verification code.
6. Enter the verification code in the designated area on the app and enjoy your conference app experience!

You can also view this event on your desktop or laptop computer by going to <https://event.crowdcompass.com/2019neaesp>. Please follow directions above for log-on process.

The mobile app will also provide you with the opportunity to network with fellow conference attendees throughout the event. We are confident that the many features of this app will enhance your ESP Conference experience. If you find you need additional assistance with downloading the app, visit us on-site at the Social Media Table!

*Don't forget to post about your awesome conference experience using hashtags
#ESP2019 and #WeLoveOurESP!*
